Enfield High School

Our Story: The Class of 2010

The highly anticipated graduation of the class of 2010 has finally come. We've all dreamed about this day for so long, and it always seemed far away. However, as we prepare to graduate, we see how quickly four years have gone by.

As we say good-bye to high school, we wish everyone good luck with their future. We've had a lot of good times, but there are still a lot of memories yet to be made.....

Class Dedicates Yearbook to Vice Principal

Enfield High School's class of 2010 has decided to dedicate this year's yearbook to vice principal, Mr. Steven Sargalski. Although the yearbook is usually dedicated to a teacher, "Sarge" is more than deserving of this year's dedication. Sarge has always been supportive of our class, and has always done it with a smile. Whenever we had problems, concerns, or just needed someone to listen, Sarge was always someone to whom we could go. From orientation to graduation, games, matches, and assemblies, Sarge was always there for us. One page in the yearbook is not nearly enough space to fit in our gratitude for all Sarge has done for us. We cannot even begin to thank him for all the hard work he's put in, and the patience he's had. In a world where it is hard to find someone to look up to, we've lucked out in not having to look farther than our own school for a fantastic role model. We will miss you, Sarge.

Valedictorian-Lauren McMurray

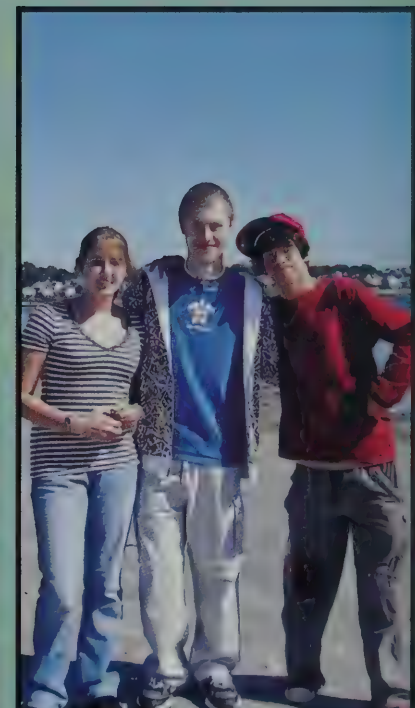

"These are some good times, so take a good look around. You may not know it now, but you're gonna miss this." ~Trace Adkins
The past four years at Enfield High have been four of the best years of my life, and I already know I am going to miss this. I have made many great friends, and we have more memories than I can count. I will never forget my time here. As the class of 2010 graduates, I want to wish everyone good luck in the future. Never let anyone stand in your way; if you put your mind to it, you can do what ever you want to do.

Salutatorian- Connor Spain

"What we do for ourselves dies with us. What we do for others and the world remains and is immortal." - Albert Pine
As the Class of 2010 we have just begun to make our impact on the world. These past four years have been great and have shown us how successful we can be. It is just the beginning of what we will accomplish. As our class moves on we will continue to make positive changes in the world around us, as the best of the best! Good luck and best wishes. Connor

Business Department
Mrs. Arndt, Mrs. Stone, Mr. Clement, Mr. O'Connell, Mr. Sumter

The Business Department helps students prepare for the future. This department has continued to grow stronger within the past few years as more and more students take business courses. These courses help them develop an awareness of business careers, learn and practice decision making and leadership skills, and acquire knowledge in order to manage businesses of their own in the future. Students are able to select classes such as Accounting, Marketing, Business Concepts and Careers, and several others.

The English Department encourages students to become effective communicators. They teach students important critical thinking skills, and prepare them for their future. This year, Mr. McMahon continued with his generous charity, the Invisible Children mission, which helps child soldiers and other children in Africa who are victims of war. The English Department provides its students with connections to the world and gives students the opportunity to see the world in a different view.

It is always fun to smell the goodies being created by the culinary classes and see the energetic three and four year old children enjoying the EHS preschool.

Even though we were not where we had hoped to be by the end of the season, we still made a very successful bond through tough painful losses and sweet victories. We ended our season 3-7. It did not matter who won or lost, we did it together as a family. On Thanksgiving Day we demolished the Fermi Falcons, 28-8, in what could be the last Thanksgiving Day game match up.
